Preparing for Worship

As we settle into the season of Lent, our worship naturally takes on a more reflective nature. Lent is a time of reflection about our lives, a time of repentance and preparation for the remembrance of Christ's passion -- and music meets us in these places in profound ways.

There are probably more hymns written about the cross than about any other single aspect of the Christian faith --not only because it is at the very core of the Christian gospel, but also because when we sit in brokenness before the cross, our hearts cry out with particular wonder, love and praise.

Each week throughout these 40 days of Lent, we will be focusing on one of the classic Lenten hymns that express the heart-cry of brothers and sisters through time -- hymns through which our voices and souls can worship alongside saints through the ages, joined together with the depth of their faith, their wonder, and their surrender. For some of us, these are treasures we remember from year to year, for others these are new expressions in song to learn. For all of us, we will join our voices together to sing of the life, suffering and surrender of Jesus for us. Let these hymns lead you, in the deepest places of your heart, to the foot of the cross.

JESUS REFUGE OF THE WEARY

LSB #423

1. Jesus refuge of the weary
Blest Redeemer whom we love
Fountain in life's desert dreary
Savior from the world above
Often have Your eyes offended
Gazed upon the sinner's fall
Yet upon the cross extended
You have borne the pain of all
2. Do we pass that cross unheeding
Breathing no repentant vow
Though we see You wounded bleeding
See Your thorn-encircled brow
Yet Your sinless death has brought us
Life eternal peace and rest
Only what Your grace hath taught us
Calms the sinner's deep distress
3. Jesus, may our hearts be burning
With more fervent love for You
May our eyes be ever turning
To behold Your cross anew
Till in glory parted never
From the blessed Savior's side
Graven in our hearts forever
Dwell the cross the Crucified
