BIBLE STUDY: MICAH

Led by Daryl Allen

The prophet Micah, like his contemporary Isaiah, boldly confronted the sin of God's people who had gone astray. But he also confidently pointed them to the hope found in God's ultimate plan of salvation in Jesus. Join us as we travel through this Old Testament book and learn together what truths God has to speak to us, His people today.

CONTAGIOUS FAITH

Led by Pastor Rob

Materials: Study Guide (\$12)

As followers of Jesus, we have a calling to share God's love with others in ways that can impact their lives. But few of us are naturally comfortable doing this. In this course you will be introduced to five natural ways of sharing the love of Jesus and discover which of these approaches will enable you to naturally share Jesus with others.

YOUR BEAUTIFUL PURPOSE - A Study for Women (by Susie Larson)

Led by Andrea Gerhard

Materials: Study Guide (\$12)

As you follow Jesus and grow in relationship with Him, you want each day to matter - to serve God in big and small ways. But how, especially when everyday responsibilities, work, fears, and other obstacles get in the way? Come together in this study to connect about practical, scriptural ways to overcome whatever keeps you from living fully in God's Will. With use of Your Beautiful Purpose by Susie Larson, you'll have the opportunity to discern the best use of your time and gifts, confidently pursue God's unique desires for you, and stretch your faith and deepen your impact. Discover and enjoy what God can do through you - respond today to that nudge in your spirit, the desire to fully uncover and use your gifts and passions more fully in God's work and daily life.

I SAID THIS, YOU HEARD THAT (by Kathleen Edelman)

Led by Dave & Kristi Harjung

Materials: Workbook (\$20)

If you've ever said the wrong thing (or said the right thing the wrong way), you know how quickly your mouth can make a big mess. But it doesn't have to be that way. This 6-session video study explores how your wiring affects what you say, how you listen, and how others hear you. After taking the 40-question assessment, you'll learn a simple framework that will instantly improve your communication. And you'll see how advice from the apostle Paul thousands of years ago may have held the secret all along.
