

# God Talks

## Connect

God has given us gifts to share. Each of us is a gift from God and he has given us gifts of our own to share with the world.

What does sharing your talents look like?

## Word

### Acts 2:42-47

How did the early Christians spend time together? What do we have in common with other Christians?

## Action

### Family Bonding

The early Christians spent time together breaking bread. Find a neighbor or church family that you can invite over for a meal this week.
