

God Talks

Connect

God has given us gifts to share. One way we can give back to God is by sharing our resources with our Church and community.

Name 10 blessings that your family has.

Word

Matthew 6:19-21

What would you do with a million dollars? What would you do with one penny? How can we treasure God more than the items we own?

Action

Donations

Take time this week to go through your house and look for items that can be donated or perhaps head to SPL lobby and pick an item off the angel tree to buy for someone in need.
